1. What has been the most challenging portion of your form III year so far? New school? New friends? Hectic Schedule? Pressure on grades? Biology? Why?
2. Are you challenged academically? Too much? Too little? Just right?
3. Is there something that you would like to improve about yourself that would enable better academic success? Better organized? Stop procrastinating? Study every day?
4. What is something that you are most proud of in Biology class this so far this year? This could be anything completed, graded, said, discussed, or answered **by you** this semester. Be specific!
5. The semester grades also include a grade for effort. Please grade your effort over the entire semester on the following scale. Please include a why you think that you deserve that grade.

1- Excellent- exceeds course expectations, working to your potential, positive towards class and others, meeting deadlines, Using CP for extra understanding and deepen comprehension when clarification is required. Strong class participation in discussion, or when called on, or when in group or lab work

2- Good- commendable effort and working slightly above course expectations, stretching your abilities and working to potential, overall positive to class and others, meeting deadlines, using CP for clarification

3. Average- meeting course expectations, graded work does not exceed potential, meeting deadlines (missing occasional deadlines), and occasional use of CP for clarification

4- Needs improvement- not meeting course expectations, not working to potential, not meeting deadlines, does not use CP.

5- Unsatisfactory, not working to potential, not meeting course expectations, not meeting deadlines, does not use CP. Attitude poor

Which are you?
